Dear Recruiter,

I am a conscientious young Nigerian who works hard with an aptitude for attention to details. I have been a successful student who is quick and eager to learn in diverse environment. I am flexible and can adapt to environmental changes easily.

The situation of the world over today is a serious concern to humanity, I have taught severally on how to tender my sacrifice to my noble nation hence to fight against the plague from multitudinous casualties, I believe this is an opportunity to contribute my knowledge so as to bring this pandemic to an end irrespective of any risk or finances involved as my major interest is on saving lives and the economy of our nation for it is said **“HEALTH IS WEALTH”**.

I am a dexterous in computer operation, analysis and well as repairs and maintenance, I believe that with my computing skills, my great team spirit and communication skills, I can relate harmoniously with the team of instructors and fellows to bring an end to this pandemic for our generation and generations to come.

Sequel to the above paragraph, I hereby avail myself for due service at any time beginning from the time this letter is delivered.

Thank you for your time and consideration. I look forward to being a part of this team.

Sincerely,
Inyang, Iberedem Udo
