*Dear Sir,*

**APPLICATION FOR EMPLOYMENT AS A TECHNOLOGIST**

I had been a successful student in your Institution by name Inyang, Iberedem Udo under the discipline of Computer Engineering department who worked hard with an aptitude for attention to details. I am flexible and can adapt to environmental changes easily. With my great team spirit and communication skills, I can relate harmoniously with students, lecturers and the school management to achieve the aims of this great institution.

I hereby apply for an employment opportunity hence to initiate the knowledge I acquired from this institution and the skills I have learnt during my service year as an academic staff in Federal College of Education (Technical), Umuze, Anambra State, for the purpose of optimizing and obtaining the goals of this institution.

I will be grateful if my application is favorably considered as I will engage my literacy to ensure my responsibilities are carried out effectively and efficiently as at time due.

Enclosed with this letter is my Resume for more details of my academic qualifications and personal data.

Thank you!

Yours faithfully

Inyang, Iberedem Udo
