SUMMARY

Results-driven Python Developer with experience in Python, C, and JavaScript. Strong leadership, project management, and technical skills. Committed to innovation and efficiency. A certified AWS Solutions Architect Associate with deep understanding of best practices for building highly scalable, highly performant, highly available, fault tolerant and well secured applications.

EDUCATION

Full Stack Developer - Backend Specialist   **September 2022 – January 2024**

African Leadership Software Engineering (ALXSE)

- **Skills:** Python, C, JavaScript, TypeScript, Django, Flask, Docker, ECS, ECR, DBMS (RDS - MySQL, PostgreSQL, DynamoDB), CSS, HTML5, Server Configuration and management (Nginx), Linux/Bash proficiency.

Bachelor of Computer Science Education, 4.24   **October 2014 – October 2018**

Godfrey Okoye University

- **Key Courses:** OOP in Java, Compilers, Algorithms, Operating Systems, Data Structures

PROJECTS

Project Manager (Team Member)
LessonPedia   **December 2023**

- Led a team of three to design and implement a (currently free) online platform that connects learners and tutors to exchange values
- Implemented all front and backend tutor logics including all tutor-related interfaces consumed by clients, collaborated on database schema design, and utilized technologies such as Django Rest Framework, JavaScript, Docker, CSS, HTML5, MySQL.
- Delivered the MVP seven days earlier than the deadline - **View Project** (**https://lessonpedia.pythonanywhere.com/**)

Project Manager (Team Member)
Easy_HR Web App   **August 2023**

- Led a team of three to design and implement a human resource management web application that resulted in over 45% improved Human Resource Efficiency
- Utilized technologies such as python, JavaScript, CSS, HTML5, Flask, MySQL, SQLAlchemy
- Deployed the MVP on AWS fully configured with Nginx

C-Pass   **January 2024**

In-progress

- Currently engineering an Application Tracking System

WORK EXPERIENCE

Computer Instructor   **September 2021 - March 2022**
Maria Assumpta Comprehensive Secondary School
- Automated result computation, saving over 85% processing time, minimizing human errors, and increasing transparency.
- Created CBT solutions, achieving over 99% success in preparing senior students for exams
- Implemented e-curriculum, resulting in a 55% increase in new intakes.
- Managed the school database and exam registration software

VOLUNTEER ACTIVITIES

Coordinator Army Command Zone   **March 2019 - September 2019**
NCCF, Ebonyi
- Executed One-Corper-One-Child campaign, providing educational materials to 50+ pupils and increasing organization membership by 32%.
- Implemented management strategies, resulting in a 107% increase in the organization's finance.
- Coordinated community service and campaigns to curb student cultism, leading to a significant mind-shift.

President, NIFES   **February 2016 - January 2018**
- Executed program plans for each semester, increased membership by 33%, and financial growth by 47%.

TECHNICAL SKILLS

- **Programming:** Python, C, JavaScript
- **Web Development:** Django, HTML5, CSS, Flask
- **Containerization:** Docker, ECS
- **Databases:** MySQL, MongoDB, AWS RDS, Redis
- **Servers:** Nginx
- **Linux:** Proficient in Linux/Bash
- **APIs:** Strong knowledge of REST APIs and web services
- **Cloud:** AWS Cloud proficiency
- **Others:** Technical Writing, Video Editing, MS Office Suite Expertise

SOFT SKILLS
- Project Coordination
- Leadership
- Strategic Planning
- Team Collaboration
- Critical Thinking
- Passionate about Learning (Rapid Learner)
- Proficient in written and spoken English - Able to work with clients to discuss ideas and solutions to their needs
- Highly adaptable
- Attention to details

CERTIFICATIONS

- **AWS SAA**   **January 2024**
  - *Certified by Amazon Web Services, demonstrating advanced proficiency in cloud computing fundamentals, including mastery of key AWS services and architectural best practices. Backed by hands-on experience in crafting scalable, high-performance, and secure applications, with a focus on optimizing resource utilization.*
- **AWS Certified Cloud Practitioner**   **October 2023**
  - *Certification from Amazon Web Services demonstrating knowledge of cloud computing fundamentals, including key AWS services and architectural best practices.*
- **Certificate of Achievement: Accelerated Soft Skill Training**
  Jobberman Nigeria   **June 2022**

- - Completion of an intensive soft skills training program, covering communication, teamwork, problem-solving, and interpersonal skills.
- **Certificate Of Merit: Best Graduating Student in the department of Computer Science Education** **November 2018**
  - Awarded for outstanding academic achievement and contributions to the field of Computer Science Education.
- **World Safety Organization Certificate of Satisfaction in Occupational Safety and Health Course (HSE 1, 2 & 3)** **November 2021**
  - Completion of a comprehensive course in Occupational Safety and Health, including Health and Safety Environment (HSE) levels 1, 2, and 3.
